Exhibition Centre, Gandhinagar, Gujarat - INDIA

# Ceramix 2019

With the massive response we received from all over the world during our last 2 editions of Vibrant Ceramics, we aim to internationalize it & will have exhibitors from across the globe in the upcoming edition rebranded as Ceramix 2019.

The expo will witness the leading manufactures from the top ceramic manufacturing nations like Spain, Italy, Turkey, China, Vietnam, Thailand & India. The expo will have exhibitors, who are manufacturers of :

- Wall Tiles
- Floor Tiles
- Vitrified Tiles
- Sanitary Wares
- Bath Wares
- Bath Fittings

## What to Expect in Ceramix 2019

With over 2000 delegates from more than 100 countries expected to participate in this expo, it indeed offers an unparalleled opportunity to the global ceramic industry to identify previously unexplored or less explored options to satisfy the global demand.

# Why Exhibit

4 days during which international companies meet architects, designers, contractors and retailers and show the new trends in ceramic tiles, sanitary wares and bathroom furnishings. The participation at Ceramix 2019 will provide you a perfect platform to :
