

FENS^{'21}

14 - 16 OCTOBER 2021
ISTANBUL EXPO CENTER / ISTANBUL - TURKEY

FENCE, WIRE, BARRIER, GATE SYSTEMS AND SPORT FIELD EXHIBITION

Fence, Wire, Barrier, Gate Systems and Sport Field Exhibition will be bringing together in Istanbul, the companies and buyers of the sector from all over the world, as the first and only exhibition of its kind in Turkey, between **14-16 October 2021 at Istanbul Expo Center**.

The exhibition offers an unprecedented platform for companies producing and selling fence, wire, barrier systems, gateways and crossing systems environmental protection industry and sports fields as well as machinery, raw materials and side industry products for this sector, to make new business connections.

In addition to sector's professionals from Turkey and abroad, FENS 21 is designed to respond to the needs of a wide spectrum of end-users with parks, gardens, estates and recreational projects, tourism facilities, industrial facilities and public and military facilities being the main ones.

FENS 21 will be organized simultaneously with PREMO- Prefabricated, Modular and Mobile Home and Structure Systems Exhibition in a separate hall and will multiply the business potential offered with the shared visitor audience.

You as well can introduce your products, services, design and finished projects to an audience of relevant and professional buyers and undersign new trade collaborations by joining this first and only and most comprehensive exhibition of the sector.

We invite you to this important meeting.
